Vol . No. 3 August-September 2026

EDITOR´S VOICE: Once again , APC-ELI would like to thank the British Council-Cuba for supporting and sponsoring activities in favor of the English Language teachers.
It was very inspiring to see all the good and interesting activities developed during the June Green Month by teachers and students, and the outstanding results of the *Taller de actualización del Proyecto #InglésParaElDesarrollo (IPD*) developed and fully sponsored by the British Council in Matanzas last July.

Our note of gratitude to the BC, the extraordinary group of methodological advisors, genre professionals and ELT leaders who participated in the above mentioned Taller and made this encounter a great one with their contributions. This has been a unique professional opportunity to the English Language field in recent months.

Our thanks to Minerva, Yailet, Ingrid and Danay, the 4 jewels of the BC , as somebody named them.
