An Obituary and our respect

In the memory of Madeleine Montes , who passed away peacefully a week ago . Madeleine was a devoted professional, an outstanding Cuban ELT member, a good teacher, and the EFL leader of the ALC-GELI for a very long time. She was the first to attend the IATEFL conference and opened the doors for others to attend this event. Since then, several teachers have been participating in this event. She will be remembered for the way she led the English Language Teachers Association.

Our APC-ELI expresses its condolescences to her relatives, colleagues and friends and make its assurances her memory and professional life will also be mentioned in the obituary session which usually takes place in the IATEFL Conferences.
